Dear All,

Within the highlights of the recent email from Mr. Oakley, I am glad to see that our concerns and pleas for response have been answered for once. I am hoping this is not just a quick PR stunt, but the start of an open and clear line of communication between us as OVERCHARGED, UNDERPROVIDED and FED UP citizens of Tega Cay, and yourselves as the ones who can make a difference. I hope to see some serious change to both our communication channels and the quality of our water/ wastewater systems in the city.

Thank You,

**Andrew Roberts**
